

The PTSO helps support NTH@C community by:

- Publishing a weekly e-newsletter, "HotSync" to help keep parents informed
- Providing "gifts to school". These are requests from NTH@C for items that are not covered in school budgets, but help all of kids extend their learning. Some items purchased in the past two years include: Probes for physics/chemistry courses, forensics equipment, photography equipment, and AP study guides
- Sponsors "Shattered Dreams" a "don't drink and drive" program
- Coordinating many events to encourage and support the learners and their families.
